

# WEEKLY INTAKE VOLUME REPORT

---

WEEK 9 (ending on 27 FEB 2026)  
REPORTED ON 05 MARCH 2026

Sponsored by

# OVERVIEW

**PLEASE NOTE:**

*The comparisons made with previous years are only indicative.*

*It is only an indication of how the crop is delivered at commercial premises between years.*

*The comparison is based on the WEEK NUMBER and not actual dates.*

*The beginning and end dates of a week are therefore not the same for each year.*
