

WEEKLY INTAKE VOLUME REPORT

WEEK 7 (ending on 13 FEB 2026)
REPORTED ON 19 FEBRUARY 2026

Sponsored by

OVERVIEW

PLEASE NOTE:

The comparisons made with previous years are only indicative.

It is only an indication of how the crop is delivered at commercial premises between years.

The comparison is based on the WEEK NUMBER and not actual dates.

The beginning and end dates of a week are therefore not the same for each year.
