

WEEKLY INTAKE VOLUME REPORT

WEEK 10 (ending on 06 MARCH 2026)
REPORTED ON 12 MARCH 2026

Sponsored by

OVERVIEW

PLEASE NOTE:

The comparisons made with previous years are only indicative.

It is only an indication of how the crop is delivered at commercial premises between years.

The comparison is based on the WEEK NUMBER and not actual dates.

The beginning and end dates of a week are therefore not the same for each year.
