PLEASE NOTE:

- The comparisons made with previous years are only indicative.
- It is only an indication of how the crop is delivered at commercial premises between years.
- The comparison is based on the WEEK NUMBER and not actual dates.
- The beginning and end dates of a week are therefore not the same for each year.

FOOTNOTES:

- This information is reported by Raisins SA NPC as submitted by collaborators.
- Weekly producer deliveries were verified by means of the WEEKLY returns.
- Adjustments are made because of amendments and/or late returns.
